

## Pillow Menu

At Island Hideaway we realize that privacy and relaxation, comfort and well-being are of importance to our guests. Many thoughts and efforts have gone into this. We have created an extensive pillow menu for you to choose from, which will ensure a perfect sleep straight off the first night.

Please let us know which pillows you wish to opt for and we are happy to deliver them to you at turndown service or at your convenient time:

### **Standard size anti allergy fiber ball polyester pillow**

Provided in your villa

### **Oversized anti allergy fiber ball polyester pillow**

Provided in your villa

#### **No. 1**

### **Well supporting standard pure goose downs silver grade 1a (600g)**

For all those of you who wish to have the head slightly elevated when sleeping.

Preferred by males.

#### **No. 2**

### **Supporting standard duck down grey grade 1a (700g)**

Duck down is softer than goose downs but well supporting.

#### **No. 3**

### **Supporting pure duck small feather grey (850g)**

Same as No. 2 but with more content hence harder.

#### **No. 4**

### **Soft small goose feather and 20% goose down (500g)**

Due to the percentage of goose down these pillows are warmer.

Less suitable for people who sweat a lot.

#### **No. 5**

### **THALIA pure duck down and polyester floss finfill ACTIGARD treated**

Pillows equipped with treatment for mite allergy

#### **No. 6**

### **Latex kernel and active air circulation in pure cotton cover**

For people who like a natural and pure product.

Especially suitable for people with neck problems.

**No. 7**

**Latex neck support croissant in jersey cover**

Same as above No. 6, Neck supporting latex pillow

**No. 8**

**Lamb wool sleep ball in pure cotton cover**

Rather hard pillow. Reducing the content will reduce the thickness of the pillow. Suitable for people who sweat a lot. Preferred by males.

**No. 9**

**Organic millet-chaff in pure cotton quilt**

Flat pillow that adapts well to neck and head.

**No. 10**

**Spelt-chaff in pure cotton quilt**

Same as No. 9 but rougher/harder.

**No. 11**

**Cherry stone in pure cotton cover**

Pillow can be warmed up in the micro wave oven for greater comfort in bed.

**No. 12**

**ERATO pure duck down grade 1 a ACTIGARD treated (650g)**

Same as No. 5 but softer and more comfortable

**No. 13**

**Comforell sleep balls**

Suitable for people with allergies

**No. 14**

**Piccolo – pure dawn-alike duck feathers for children**

Ideal soft pillow for children or adult who need a pillow to “cuddle”

**No. 15**

**Ova-Soft with Comforell sleep balls and individually adjustable neck rest**

Suitable for people with allergies. The neck rest can be modified and the content can be reduced.
